

NAMAN JAIN

Full Stack Developer

+91 7490994124 | naman.jain.udp04@gmail.com | [LinkedIn](#) | [Github](#) | [Twitter\(X\)](#) | [Leetcode](#)

Rajkot, Gujarat-360003, India

SKILLS

- **Programming Languages:** C, C++, Java, JavaScript, TypeScript, Python
- **Web Technologies:** Next.js, React.js, Express.js, Node.js, TailwindCSS, ShadcnUI
- **Database Systems:** SQL, MongoDB, Supabase
- **ORM and Query Builders:** Prisma, Drizzle ORM
- **Version Control and CI/CD:** Git, GitHub, GitHub Actions, Vercel, Netlify, Render
- **Auth and Security:** Clerk, BetterAuth, JWT, Arcjet, bcrypt
- **AI API:** Gemini API, OpenAI API
- **Additional:** Data Structures and Algorithms, DBMS, OS, CN
- **Soft Skills:** Teamwork, Time Management, Effective Communication, Problem Solving

PROJECTS

MeetAI AI Video Call Web App

[Github Link](#)

[Live Link](#)

- Tools: Next.js, TypeScript, OpenAI API, Stream SDKs, Polar, BetterAuth, Shadcn UI, Vercel
- Built AI video platform with **11+ features** including agents and meetings.
 - Added login via BetterAuth and billing functionality using Polar integration.
 - Implemented recordings, transcripts, summaries, chatbot, filters and search features.
 - Enabled agent/meeting create, edit, delete, with secure scalable deployment.

Welth Finance Management Platform

[Github Link](#)

[Live Link](#)

- Tools: Next.js, TypeScript, Gemini API, Prisma, Supabase, Clerk Auth, Shadcn UI, Vercel
- Developed finance platform with **13+ modules** including dashboard and accounts.
 - Added Clerk login, account pages and transaction management system.
 - Implemented graphs, reports, budget alerts, sorting, search and drawer.
 - Enabled transaction add, edit, delete, email service and Supabase backend.

CLIFlow – Command History Analysis CLI

[Github Link](#)

[Live Link](#)

- Tools: C++, GitHub Actions, Semantic Versioning
- Developed a minimal **C++ command-line utility** for parsing and analyzing shell command history.
 - Automated the entire release lifecycle using **GitHub Actions**, enabling consistent builds and cutting developer release overhead by **up to 90%**.

EDUCATION

Marwadi University

2023 - 2027

Rajkot, India

Bachelor of Technology – Computer Science

- CGPA: 9.88/10.00 (Till Current Semester)

CO-CURRICULARS / ACHIEVEMENTS

- Open-source contributor to **ToolJet**. Hacktoberfest 2024
- Pseudo Core Committee Member, Competitive Programming Club
- Active self-learning in cloud technologies, **DevOps tools**, and modern full-stack development.
- Interest in Japanese culture, productivity systems, and technical communication.

AWARDS AND HONORS

- Multiple state & national-level achievements in UCMAS mental development competitions.
- Recognized for academic excellence throughout school years.
- Winner of 2 tech events in college fest. (Tech Battle, Scavenger Hunt)
